

	<p>reliability, affordability, and sustainability, additional attention may be required on reliability to ensure a reliable system is maintained. However, there are varying degrees of reliability that may be related to economic risk.</p> <p>We ask all stakeholders to continue to provide recommendations as to what metrics (qualitative and quantitative) you believe we should use to properly assess our stated objectives.</p>
<p>Jay, I think your tone with Jennifer Washburn was inappropriate - it caught me off guard and made me feel uncomfortable. Additionally, while I appreciate there's been conversations offline on this subject, having you provide some background on what the exchange was about for those who weren't part of those discussions would have been helpful.</p>	<p>We sincerely apologize if the tone was believed to be inappropriate. The intent was to continue to keep the conversations related to the topics being presented. We will arrange for more time for Q&A in Stakeholder Meeting 3B.</p>
<p>It would be helpful to see everyone's questions even if you aren't planning to address them all. Will that be available afterwards at least?</p>	<p>Yes, the questions will be available in the posted Meeting Minutes</p>
