

LEGAL NOTICE
STATE OF INDIANA
INDIANA UTILITY REGULATORY COMMISSION

Indiana Michigan Power Company (I&M), an Indiana corporation, gives notice that on or about February 28, 2024 it will submit for approval under the Indiana Utility Regulatory Commission's thirty-day filing process an updated Tariff COGEN/SPP (Cogeneration and/or Small Power Production Service) for purchase of energy and capacity at rates derived from the application of regulations and an increase to the maximum qualifying facility to 20 MW or less (COGEN) or 5 MW or less (SPP), for those customers taking standard tariff service from I&M. The referenced filing will consist of Indiana Michigan Power Company's proposed 2024 Tariff COGEN/SPP. Customers potentially affected by this filing include alternate energy production facilities, cogeneration facilities, or small hydro facilities located in the I&M service territory. Those customers may be affected by changes in metering charges related to special metering facilities, and by monthly credits or payments for energy and capacity deliveries. A decision on the proposed revisions to Tariff COGEN/SPP is expected from the Indiana Utility Regulatory Commission on or before March 27, 2024.
