

LEGAL NOTICE
STATE OF INDIANA
INDIANA UTILITY REGULATORY COMMISSION

Indiana Michigan Power Company (I&M), an Indiana corporation, gives notice that on or before February 19 2021, it will submit for approval under the Indiana Utility Regulatory Commission's thirty-day filing process, to offer additional No Pole Uplift rates for existing LED streetlighting options (non-PES) to Indiana customers of I&M under Tariff E.C.L.S. (Energy Conservation Lighting Service). The tariff modifications will provide rates for the existing LED streetlight offerings installed on existing poles in accordance with settlement terms as approved in Cause No. 45285. This change will benefit customers under Tariff E.C.L.S. where both the customer and I&M agree to install a new LED streetlight on an existing pole structure. The Indiana Utility Regulatory Commission is expected to rule on proposed revisions to Tariff E.C.L.S. on or before March 24, 2021.
