

**LEGAL NOTICE
STATE OF INDIANA
INDIANA UTILITY REGULATORY COMMISSION**

Indiana Michigan Power Company (“I&M”), an Indiana public utility, and Northern Indiana Public Service Company LLC (“NIPSCO”), an Indiana public utility, give notice that on October 17, 2025, a joint petition was filed with the Indiana Utility Regulatory Commission (“Commission”) for approval of a Limited and Conditional Consent to Serve Agreement (“Consent Agreement”) between I&M, NIPSCO and Elkhart County Solar Project, LLC (“Elkhart County Solar”) for I&M to provide retail electric service on a limited and conditional basis to Elkhart County Solar’s solar powered electric generation facility (the “Facility”) located within NIPSCO’s assigned service area in Elkhart County, Indiana. The joint petition has been docketed before the Commission as Cause No. _____. The Consent Agreement is necessary to allow I&M to act as the supplier of station power for the Facility. The Consent Agreement is submitted under Ind. Code § 8-1-2.3-4(a) as the Facility is located in NIPSCO’s assigned service territory, the Consent Agreement is limited in duration, and it will not cause the duplication of electric utility facilities. If no interested party requests a hearing on the joint petition within ten (10) days of the date of this Notice, the Commission may approve the Consent Agreement without a hearing.

Please direct inquiries to:
